**SUPPLEMENTAL AFFIDAVIT OF MICHAEL EISENBAND IN SUPPORT OF
THE APPLICATION OF THE OFFICIAL COMMITTEE OF UNSECURED
CREDITORS OF CHEMTURA CORPORATION, *ET AL.* FOR AUTHORITY TO
RETAIN AND EMPLOY FTI CONSULTING, INC., AS FORENSIC
ACCOUNTANT TO THE OFFICIAL COMMITTEE OF
UNSECURED CREDITORS**

I, Michael Eisenband, being duly sworn, hereby depose and say:

1. I am a Senior Managing Director with FTI Consulting, Inc. (together with its wholly owned subsidiaries, agents, independent contractors and employees “*FTI*”), a financial advisory services firm with numerous offices throughout the country. I submit this Affidavit (the “*Supplemental Affidavit*”) to supplement my prior affidavit (“*Original Affidavit*”) that was submitted in connection with FTI’s retention as forensic accountant to the Official Committee of Unsecured Creditors (the “*Creditors’ Committee*”) of Chemtura Corporation, *et al.*, (collectively, the “*Debtors*”) in these chapter 11 cases. Unless otherwise stated in this Supplemental Affidavit, I have personal knowledge of the facts set forth herein¹.

2. On March 18, 2009 (the “*Petition Date*”), the Debtors filed with this Court voluntary petitions for relief under the Bankruptcy Code. Pursuant to sections 1107 and 1108 of

¹ Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information provided by them.

the Bankruptcy Code, the Debtors are continuing to operate their businesses and manage their properties and assets as debtors in possession.

3. On March 26, 2009 (the “**Creditors’ Committee Formation Date**”), pursuant to section 1102 of the Bankruptcy Code, the United States Trustee for the Southern District of New York appointed the Creditors’ Committee. The Creditors’ Committee is comprised of the following entities: The Bank of New York Mellon Trust Company, N.A., as indenture trustee; Entergy Arkansas, Inc.; Federated Investors; Manufacturing & Traders Trust Co., as indenture trustee; Pension Benefit Guaranty Corporation; RiverSource Investments LLC; U.S. Bank, National Association, as indenture trustee; Francisco Herrera; Gerardo Solis; and Irma Rosa Ortiz. While Irma Rosa Ortiz was appointed to the Creditors’ Committee, counsel for Irma Rosa Ortiz has to date not agreed to the Creditors’ Committee’s bylaws and, accordingly, has not participated in Creditors’ Committee meetings or received Creditors’ Committee communications.

4. On June 9, 2009, the Creditors’ Committee filed its *Application of the Official Committee of Unsecured Creditors of Chemtura Corporation, et al. for Authority to Retain and Employ FTI Consulting, Inc. as Forensic Accountant to the Official Committee of Unsecured Creditors Nunc Pro Tunc to May 5, 2009* (the “**Employment Application**” Docket #523). On June 26, 2009, this Court entered an Order Authorizing the Official Committee of Unsecured Creditors of Chemtura Corporation, *et al.* to Retain and Employ FTI Consulting, Inc. as Forensic Accountant to the Official Committee of Unsecured Creditors, *Nunc Pro Tunc* to May 5, 2009 (the “**Employment Order**” Docket #663).

5. Pursuant to the Employment Application, FTI’s scope of services included the following:

“Render such other general business consulting or such other assistance as the Committee or its counsel may deem necessary that are consistent with the role of a forensic accountant and not duplicative of services provided by other professionals retained by the Committee.”

6. On March 19, 2010, the Debtors filed the Debtors’ Motion for Entry of an Order Authorizing the Estimation of Diacetyl Claims, Establishing Estimation Procedures, and Granting Certain Related Relief (the “***Estimation Procedures Motion***” Docket # 2281). On April 27, 2010, the Court approved the Estimation Procedures Motion and entered an Order Establishing Procedures for Estimation of Diacetyl Claims (the “***Estimation Proceeding***” Docket # 2571).

7. On April 6, 2010, the Creditors’ Committee requested and approved FTI’s assistance to provide services related to the Estimation Proceeding. Specifically, FTI will provide expert consulting services including expert reports and expert testimony, as required. For this work, FTI will be compensated based on an hourly fee basis, plus reimbursement of actual and necessary expenses incurred by FTI. Out of an abundance of caution, FTI is disclosing this additional work as part of this Supplemental Affidavit.

Disinterestedness and Eligibility

8. In connection with the preparation of the Original Affidavit, FTI conducted a review of its contacts with the Debtors, their affiliates and certain entities holding large claims against or interests in the Debtors that were made reasonably known to FTI. As noted in the Original Affidavit, it is FTI’s policy and intent to update its ongoing relationship search during these proceedings. To this end, FTI has conducted an updated review of its contacts with the Debtors, their affiliates and certain entities holding large claims against or interest in the

Debtors that were made reasonably known to FTI. Exhibit A contains all of the names that were listed in the Original Affidavit as well as additional names that have been subsequently identified.

9. FTI's review, completed under my supervision, consisted of a query of the Exhibit A parties within an internal computer database containing names of individuals and entities that are present or recent former clients of FTI. A summary of such relationships that FTI identified during this process is set forth on Exhibit B to this Affidavit.

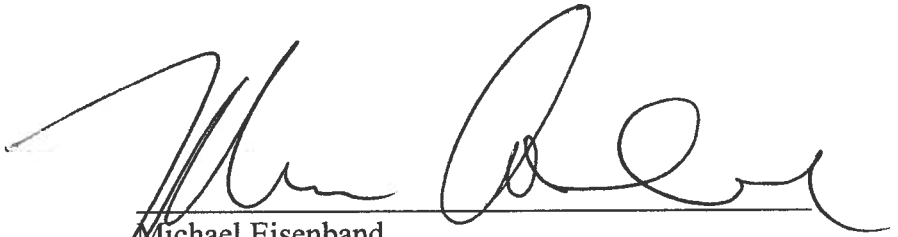

10. Based on the results of its review, except as otherwise discussed herein or in the Original Affidavit, FTI does not have a relationship with any of the parties on Exhibit A in matters related to these proceedings. FTI has provided and could reasonably expect to continue to provide services unrelated to the Debtors' cases for the various entities shown on Exhibit B. FTI's assistance to the parties shown on Exhibit B has been related to providing various financial restructuring, litigation support and/or engineering and scientific investigation consulting services unrelated to the Debtors or their chapter 11 cases. To the best of my knowledge, no services have been provided to these parties in interest which are adverse to the rights of the Creditors' Committee, nor does FTI's involvement in these cases compromise its ability to continue such consulting services.

11. Further, as part of its diverse practice, FTI appears in numerous cases, proceedings and transactions that involve many different professionals, including attorneys, accountants and financial consultants, who may represent claimants and parties-in-interest in the Debtors' cases. Also, FTI has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys, law firms and financial institutions, some of whom may be involved in these cases. In addition, FTI has

in the past, may currently and will likely in the future be working with or against other professionals involved in these cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Creditors' Committee, and none are in connection with these cases.

12. As such, to the best of my knowledge, FTI does not represent any other entity having an interest adverse to the Creditors' Committee in connection with these cases and, therefore, believes it is eligible to represent the Creditors' Committee under section 1103(b) of the Bankruptcy Code.

13. It is FTI's policy and intent to update and expand its ongoing relationship search for additional parties in interest in an expedient manner. If any new material relevant facts or relationships are discovered or arise, FTI will promptly file a Bankruptcy Rule 2014(a) supplemental affidavit.

Michael Eisenband
