**SUPPLEMENTAL AFFIDAVIT OF MICHAEL EISENBAND IN SUPPORT OF  
THE APPLICATION OF THE OFFICIAL COMMITTEE OF UNSECURED  
CREDITORS OF CHEMTURA CORPORATION, *ET AL.* FOR AUTHORITY TO  
RETAIN AND EMPLOY FTI CONSULTING, INC., AS FORENSIC  
ACCOUNTANT TO THE OFFICIAL COMMITTEE OF  
UNSECURED CREDITORS NUNC PRO TUNC TO MAY 5, 2009**

I, Michael Eisenband, being duly sworn, hereby depose and say:

1. I am a Senior Managing Director with FTI Consulting, Inc. (together with its wholly owned subsidiaries, agents, independent contractors and employees “FTI”), a financial advisory services firm with numerous offices throughout the country. I submit this affidavit on behalf of FTI (the “Supplemental Affidavit”) to supplement my prior affidavit that was submitted in connection with FTI’s retention in these chapter 11 cases. Except as otherwise noted,<sup>1</sup> I have personal knowledge of the matters set forth herein.

2. On March 18, 2009, the Debtors commenced these cases by filing voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code.

3. On June 9, 2009, the Committee filed an application to retain FTI as its forensic accountant. In support of the application, FTI filed an affidavit executed by the undersigned on behalf of FTI in accordance with the applicable sections of the Bankruptcy Code (the “Original Affidavit”).

---

<sup>1</sup> Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at FTI and are based on information provided by them.

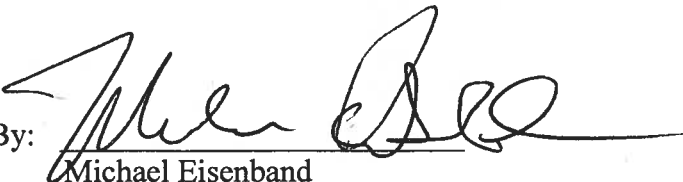

4. On June 26, 2009, an order was entered authorizing the retention of FTI.
5. Since the filing of the Original Affidavit, the following has come to my attention:

Prior to the Chapter 11 filing, FTI's Trial Services practice had provided vendor-related trial services to the Government of Canada in a series of NAFTA Chapter 11 hearings, which involved claims against host countries alleging unfair treatment and expropriation without compensation. The next scheduled hearing is Chemtura Corp. v. Government of Canada in which Chemtura Corp. claims that the Government of Canada wrongfully terminated its pesticide business in lindane-based products. The hearing is scheduled take place in Ottawa, Canada in September 2009.

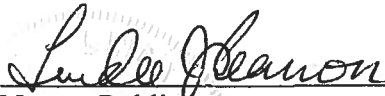

The services to be provided are limited to the rental and installation of display equipment in the hearing room, providing audio-visual support for the display of documents and creating graphics. All persons involved in the matter have executed confidentiality agreements and access to any electronic data stored on FTI servers has been restricted. The Government of Canada wishes to continue to retain FTI for the limited services noted above and has authorized disclosure of this proposed engagement to the Office of the United States Trustee.

6. The Committee and the Debtors are aware of these services and have no issues.
7. Insofar as I have been able to ascertain and subject to the disclosures herein and in my Original Affidavit, FTI does not represent any interests adverse to the Official Committee of Unsecured Creditors and, to the best of my knowledge, remains a "disinterested person" as that term is defined in Section 101(14), as modified by Section 1107(b), of the Bankruptcy Code.
