

Motion of Thermphos International, B.V. for Allowance of Administrative Expense Claim Pursuant to 11 U.S.C. § 503(b)(9) (the “Thermphos Motion”).

By the Thermphos Motion, Thermphos International, B.V. (“Thermphos”) seeks entry of an order allowing it an administrative expense claim in the amount of \$346,792.19 for phosphorous trichloride received by the Debtors within twenty days of March 18, 2009 (the “Petition Date”).

Thermphos alleges that within twenty days of the Petition Date, Thermphos delivered phosphorous trichloride in the ordinary course of business to the Debtors in the amount of €64,122. Based on the conversion rate of \$1.313 to the Euro in effect as of the Petition Date, Thermphos maintains that it is owed \$346,792.19 on account of the phosphorous trichloride delivered to the Debtors. Thermphos contends that because the phosphorous trichloride was delivered to the Debtors within twenty days of the Petition Date, Thermphos is entitled to an administrative expense claim pursuant to Bankruptcy Code section 503(b)(9).

A hearing will be held on the Thermphos Motion on October 27, 2009 at 9:45 a.m. (ET), with a corresponding objection deadline of October 21, 2009 at 5:00 p.m. (ET).
